Statement of Purpose

Background Information	I am a registered chldminder with NICMA and authorised to look after a maximum of 6 children. These are divided between under and over compulsory primary school age. I am married and have an adult daughter
Aims and objectives	My aim as outlined in my mission statement is the safety and happiness of your child and to provide a nurturing childcare facility. I aim to encourage your child to develop in a warm, stimulating, homely environment where they are valued as individuals. By working in partnership with each parent we can ensure that each child and their family needs are met.
Ethos	Each child is valued and their well being, development and learning are the main focus of everything I do.
Admissions policy	Once you have indicated your wish for me to look after you child I will encourage you to arrange short visits with the child to allow them to get used to the surroundings and to settle. I have a one week settling in period which we can agree at the start of the childminding arrangement, during which the notice period will not apply if either party wishes to end the arrangement. I welcome all families to my house and will not discriminate against children or parents for reasons such as race, religion, sex, or ability.

Hours of opening	I am open Monday to Friday from 8.00am until 6.00pm.
Non - Attendance	It is generally expected that agreed set days for the child to attend will be subject to full payment in the event of non-attendance as set out in the fees and charges section of this document.
Contact Information	My Landline is 02830860443
	My Mobile is 07756597872 My e-mail is as below carmelshouse@hotmail.com
Childminding Policies	All of my policies relating to my childminding setting will be shared and discussed with you and I will ask you to confirm your agreement of the details.
Emergency Arrangements	In the event of a medical emergency I will initially attend to your child whilst also immediately contacting appropriate professional medical care. I will also utilise the contact numbers provided by parents/guardians to inform them of the situation. In the event of an emergency where I have to leave the childcare setting I have designated emergency cover which I will require your written consent for prior to agreeing to look after your child.
Medical Details	Any specific medical details such as allergies or current medication requirements should be discussed prior to your child joining us.
Parental Consents	I will require parental/guardian consent from parents in order that your child can take part in general day to day practices such as travelling in the car on the school run. These will be confirmed prior to your child joining the facility.
Routines	I try as much as possible to work closely with parents/guardians regarding each child's routine. Each morning I will provide a healthy

	<p>snack if required. I provide a healthy home made lunch everyday for all children as well as all drinks etc. I collect children from local Primary Schools in the Crossmaglen area everyday and this will form part of the children's routine.</p>
Transport	<p>I have a vehicle which I use to transport children as part of the school run. This vehicle is fully insured and maintained and appropriate seats and seatbelts fitted. I will require parental consent for children to use this transport.</p>
Charges and fees	<p>All fees will be agreed prior to your child joining my setting. A reduced fee may be negotiated if more than one child from the one family attend. All food and drinks are included.</p>
Government assistance with childcare fees – Bank / Public Seasonal/Holiday periods.	<p>I am able to accept all childcare vouchers and Government childcare tax relief schemes. Parents who receive Government assistance with childcare fees are expected to pay in full during Bank/Public/ and seasonal holiday periods. This is due to the fact that parents or guardians who receive this help are paid by the Government for these periods and hence should pass on these payments to their allotted childcare provider. Non payment of these fees during these periods can lead to discrepancies between what is returned by your provider to HMRC and what you receive.</p>
Retainer fees	<p>Parents who have an existing child or children at this facility and choose to leave the facility for an extended period of time due to circumstances such as, maternity leave or school summer holidays etc, will need to provide a retainer</p>

	fee to keep their place. This can be discussed prior to the child leaving.
Planning for Holiday periods	Parents or guardians will be expected to agree planned holiday periods other than the normal seasonal Christmas-Easter breaks well in advance of them happening to allow planning for other children and parents.
Registration and insurance information	I am a registered childminder with the Southern Health and Social Care Trust – Early Years Team. I am a member of NICMA the childminding association and hold relevant public and legal liability insurance. I am also registered with the local environmental health office.
The role of parents	As a registered childminder I respect parents are first and foremost the main carers and educators of the children. I will work in partnership with parents/guardians on all aspects of their child's well being.
Policies on safeguarding and behaviour management	I have a child protection policy and a managing Children's Behaviours Policy which is shared and agreed with all parents during the negotiation stage of the childminding arrangement. Any amendments of this are shared as and when they happen. Copies of all policies and procedures are kept at 10 Lough Road Crossmaglen BT35 9BU
The Complaints Policy	A full copy of my complaints policy is in the policy and procedures file stored at 10 Lough Road Crossmaglen BT35 9BU. Parents are provided with a copy of this prior to their child joining the facility.

<p>The range of resources available</p>	<p>I provide lots of child friendly resources and experiences such as age appropriate toys, play area, cooking, dressing up painting and many other games.
